

## CONTENTS

Introduction	9
Method 1. Two dimensions of knowledge creation	11
Method 2. Subjective and objective knowledge identification	12
Method 3. Four ways of knowledge conversion	12
Method 4. Metaphor and analogy in the creation of the product's concept	13
Method 5. The analysis of Japanese and Western style of organizational knowledge creation	14
Method 6. Knowledge creation in a company "life cycle"	15
Method 7. Knowledge acquisition	15
Method 8. Network evaluation	16
Method 9. Evaluation of your regional network economy	17
Method 10. Knowledge exchange	18
Method 11. Conversion strategies: tacit into explicit knowledge	19
Method 12. Learning organization identification	19
Method 13. Knowledge outsourcing and insourcing	20
Method 14. Knowledge spiral in a company	21
Method 15. Primary and secondary knowledge in a networking company	21
Method 16. The analysis of attributes of a networking company	22
Method 17. Analysis of the product/service value chain	23
Method 18. Formal department and knowledge flow	24
Method 19. The application steps of the new management methods	24
Method 20. Business models	25
Method 21. Knowledge structure	26
Method 22. Knowledge Management instruments in small business	26
Method 23. Knowledge spiral	27
Method 24. Knowledge roles	28
Method 25. Problem solutions	29
Method 26. Primary and secondary knowledge in a networking company	30
Method 27. The analysis of cooperation chains with a client	31
Method 28. The selection of involved entity (IE) for creation of knowledge community	31
Method 29. External and internal benchmarking of knowledge management best practices	32
Method 30. Managing relations	32
Method 31. Positioning of intellectual capital in an enterprise	33
Method 32. Vectorial analysis of intellectual capital	33
Method 33. The analysis of a sport club knowledge area	34
Method 34. The analysis of explicit and tacit knowledge in a sport club	35
Method 35. Barriers for knowledge transfer in a networking company	35
Method 36. Organizational knowledge creation in a networking company	36

- Method 37. The organizational spiral of knowledge creation 37
- Method 38. Five-phase model of knowledge creation 39
- Method 39. The identification and analysis of management model in your enterprise 41
- Method 40. Identification of knowledge about clients 42
- Method 41. Client's knowledge about the company 42
- Method 42. Changing the geometry of network structure 43
- Method 43. Life cycle of implicit and explicit knowledge 43
- Method 44. Transformation of individual knowledge into organizational one 44
- Method 45. The identification of organizational learning orientation in your company 45
- Method 46. The analysis of factors facilitating learning process 46
- Method 47. Company as a knowledge storage 47
- Method 48. Organizational structure vs. knowledge flow 48
- Method 49. Knowledge creation in a network system 48
- Method 50. The analysis of an enterprise potential in the process of its transformation into a knowledge factory 49
- Method 51. Restructuring of the business model 49
- Method 52. Innovations vs. knowledge 50
- Method 53. Business intelligence as the instrument of acquiring knowledge 51
- Method 54. The analysis of implicit knowledge dimensions 52
- Method 55. Metaphors and ambiguity 52
- Method 56. Sharing individual knowledge 53
- Method 57. The analysis of friendly and absorbing networks 53
- Method 58. Phases of creating relations network with clients of a virtual enterprise 54
- Method 59. The diagnosis of a ragged network 56
- Method 60. The analysis of an integrator company "distance" 57
- Method 61. The analysis of unstructured network 58
- Method 62. The analysis of structured network 59
- Method 63. The analysis of the extent of processes complexity 60
- Method 64. The analysis of network selection criteria 61
- Method 65. Solving problems in a network 61
- Method 66. The analysis of organizational roles in the process of knowledge creation 62
- Method 67. First contact 63
- Method 68. Chains of knowledge in a service company 63
- Method 69. Marketplace vs. market space of a trading company 64
- Method 70. Expanding the value chain 64
- Method 71. In which field does your enterprise "spin"? 65
- Method 72. Overabundance reduction 66

Method 73. Designing reorientation	66
Method 74. Chains of knowledge	67
Method 75. Value chains	67
Method 76. Scenarios of transformations	68
Final remarks	69
